

Noah Delagardelle

Designer & Developer

EXPERIENCE

Web Designer, Memorial Student Center, UW Stout Jan 2016—Present
Design and manage content for university webpages within the Memorial Student Center for both prospective and current students, using the schools CMS, CommonSpot. Designed, prototyped, and developed a Student Organizations resource website to be used by all 160+ organizations on campus. Collaborate closely with a comprehensive design team to meet common goals and objectives for engaging students in campus life. Follow identity standards. work work closely with student orgs to answer questions and develop individual websites via OrgSync.

Freelance Designer 2015—Present
Designed unique digital branding and media with a focus on small, responsive websites for local bands and organizations.

AWARDS

One Page Love Design Award 2017
Received *Honorable One Page Website Award* from onepagelove.com for Type Tool, a one page site that was a capstone project for an interactive media class. Available at typetool.site.

Starbucks Partner of the Quarter 2016
Awarded Partner (employee) of the Quarter working as a barista at Starbucks. Comments on my performance include: "He's always in a good mood", "Is always calm and works super hard", and "hard worker and self-driven".
